The screenshot shows the Talboost homepage with a light blue gradient background. At the top right is the Talboost logo and a three-dot menu icon. A purple button labeled "AI-Powered Video Script" is visible. The main headline reads "Your AI recruiting copilot". Below it, a subtext says "Answer the first call upfront. Talboost — the only AI recruiters love". A purple button with a plus sign and the text "Create My Talboost Video" is present. A video player window in the center features a photo of a smiling woman named Christine Padilla from Costa Rica. The Talboost footer includes icons for LinkedIn, YouTube, and GitHub, along with the website address "talboost.ai".

THE REAL PAIN IN RECRUITING

01

- You are drowning in hundreds of applications for every role.
- The first screening calls are too often disappointing.
- Your team is wasting hours before finding matching candidates.
- The hiring managers wait too long to see the first shortlist.
- The traditional screening is slow, costly and frustrating for everyone.

02

THE SOLUTION: TALBOOST

TALBOOST is an AI driven video screening:

- Candidates answer first interview questions in a short video.
- Recruiters see and hear applicants before the first call.
- No more hours of first screenings.
- Faster shortlists & faster hires.
- Save 90% time & costs.
